AzMerit and AIMS Science

Thanks again to all students/parents/guardians. Test results will be provided in the fall. Remember to have your child read and work on math skills over the summer. Kahn Academy is a great program for math on the computer.

Graduation/8th Grade Promotion Ceremonies

Due to limited seating, students who are not currently enrolled are not permitted to attend these events. Siblings and previous Country Gardens graduates are invited to attend these events. Please do not bring outside visitors to these events unless immediate family. There is limited seating.

Water Day on May 29

On the last day of school, water day is for all students in grades K-12. Students must have 80% of their homework done to participate. Your child will be notified by Wednesday, May 27 if they will be participating. You may want to have them bring sunscreen. Students need to bring a towel to dry off. Please label your child's towel. Make sure that students have a pair of shoes (water socks work best) that they may get wet. They do not need to wear school uniform shoes and shirts for the event. Girls can wear a one piece swimsuit with shorts. Boys may wear swim suits. Students are allowed to bring a squirt gun. Make sure that you label their water toy. No water balloons are allowed. Students need to wear school shirts and shoes the last day and will change for the event. This is a fun event for all. Staff and students have an opportunity to get each other wet before we send them off for summer vacation.

Transcripts for High School

These will be ready on Friday, June 5. You may pick these up starting at 9:00 AM from the school office.

Tutoring Grades 1-HS

This is offered for students until May 7. Suggested for students who are on a retention plan or failing classes to attend. This is from 3:30 - 4:30 on Tues. and Thurs.

Lost and Found

Have your child check for missing clothing outside of the front office. We have collected a lot of items. These items will be donated to Goodwill in June after school is out.

Award Ceremonies

Awards are given to students in grades K-12 the last week of school. There are many awards given for each classroom. These awards are given to students for their accomplishments during the 2014-2015 school year. Please plan to attend these events. Parents and guardians are invited. Awards for grades K-4 are on May 27 and May 28 for grades 5-12 at 9:00 AM in the WILDS!

Teacher Appreciation Week May 4-8!

Remind your child to thank their teacher for a great year!

We Appreciate our Students/Parents/Guardians

Thanks again for all of your support. We look forward to seeing you and your child for the 2015-2016 school year. Please check the website for updates. See you August 6.
