## Quarter One Reading Syllabus, A

Follow the syllabus below to ensure that you have read the required chapters or pages assigned to you each week. It is very important that you are current with your reading. We will be doing in class assignments on the required reading and you will be given two quizzes per book. Reading ahead of the syllabus is always recommended because everybody has different schedules. You are responsible for obtaining the required reading books. You can sign up for our school library program for a nonrefundable fee of \$10, order the books from amazon, go to your local library or buy the books from a bookstore. Plan ahead, the excuse that you were unable to get a specific book in time will not be accepted. Late reading journal entries and make up quizzes will not be accepted without written prior notice or a doctor's note, no exceptions.
