

On Time Homework=Free Swim Time or Free Movie

All students K-12 who complete and turn in all their homework every two weeks will be given a choice of a Free Movie or Free Swim with waterslides on Wednesdays. We will alternate Wednesdays (K-5,6-12) due to age levels and numbers allowed in the pool. The dates are listed below. We strictly adhere to the rule that 100% of all Homework must be completed ON TIME to get the reward.

No late homework will count towards this reward. Please help

your child every night with their homework and remind them to turn it in on time, so they will get their reward. Students who do not earn this reward will stay in a classroom and complete their missing homework. We are a college prep school and must continue to strive to have students learn the most important skill for college completion, which is completing and turning in homework.

Homework Reward Dates: (Remember homework is counted for a two week span. Each two week session starts over fresh, so if your child misses out one time, they can earn it the next time.)
