

Mrs. Bialik's 6th Grade Required Reading List 2018-2019

Follow the syllabus below to ensure that you have read the required books assigned to you each week. It is very important that you are current with your reading. We will be doing in class assignments on the required reading and you may be given quizzes on the books being read. You need to read ½ a book each week. Write a one page summary in your reading journal each week. You need to choose one book from the first two options, and then read the other book next. Reading ahead of the syllabus is always recommended because everybody has different schedules. You are responsible for obtaining the required reading books. You can sign up for our school library program for a nonrefundable fee of \$10, order the books from amazon, go to your local library, or buy the books from a bookstore.
