

## **CGCS Student Pick-Up and Drop-Off Procedures Before and After School**

### **EFFECTIVE 9-21-2020**

**All students being brought to school by parents in the morning, should be dropped off at the pool fence.**

Students may not enter the campus before 7:35 am. They will then go directly to the Food Court to check in any cell phones. Then go directly to their classroom.

Students using our bus service will be dropped off at the bus unloading zone and follow the same directions.

### **Parents transporting their children from school in the afternoon will use the following areas for pick up:**

Grades K-6 will be waiting under the porch on the East campus circle drive for pick-up.

Grades 7-12 will be picked up in front of the pool fence.

Any family that has K-6 siblings and a student in grades 7-12, will pick up ALL their children in front of the pool fence. ***DO NOT STOP TO PICK UP YOUR CHILDREN IN FRONT OF THE LOBBY OR FLAGPOLE!!! THIS IS NOT SAFE!!! YOU MUST PULL UP INTO THE ZONE STARTING AT THE POOL FENCE.***
