

CGCS NEW Zoom Schedule Effective: August 17, 2020

Students and Parents: For the following weeks that we are required to continue Distance Learning, students will need to Zoom in to lessons directed by their teachers. If your child is able to complete their work in the packet without help, then it is only necessary that they Zoom in daily for attendance. It is imperative that you follow school dress codes and school rules for your behavior. No student or other persons are allowed to video these sessions for any reason. Our teacher/staff privacy must be maintained at all times. Any person violating this policy will be banned from the Zoom sessions and students will be disciplined with suspension/possible expulsion from CGCS and may be prosecuted for breaking FERPA laws. This is serious and these sessions are only being held due to our response to parent requests, so follow all the rules and protocols as the same as if you were in the classroom at CGCS. Thank you for your patience and support, we hope to see you on campus soon!!!

New Zoom Schedule: Begins-Monday, August 17, 2020
