

CGCS Bus Riders Update 2020-2021

Important-Due to the low number of students not riding the bus this year, we will be curtailing stops that are no longer being utilized. **Therefore, any student that wants to keep their bus stop on our existing routes will need to pay the annual Bus Registration Charge of \$25.00 for their bus stop, no later than Friday, October 9th, 2020, or their stop will be eliminated. (If you have already paid the \$25.00, your stop will remain on the route with no additional amount due.)**

If you pay your Bus Registration Charge, and for whatever reason you need to remain in Distance Learning and you **NEVER** use the bus during the 2020-2021 school year, CGCS will refund your money at the end of the year.

We are sorry for this inconvenience, but we are running buses long distances with only a very few students on the bus and by curtailing the stops, we will be able to serve the students who choose to ride the bus more efficiently and timely.
