January 29, 2024

Dear parents,

At the present time, we are conducting major repairs to our internet connectivity and it has presented us with problems concerning accessing credit card processing, etc. Therefore, at this time, we are only able to process credit card payments using actual cards through our cafe system.

Students will need to come to school with cash or a physical plastic credit or debit card for any purchases. Our K-3 students will be able to have cash placed in an envelope for the week. It will be sent to the classrooms and the teachers will give it out daily. Parents must write on the envelope their child's name, grade, date, and amount to be given daily. Parents will need to replenish this every week on Mondays.

The office does not always have a lot of change, so please plan ahead and send your child with exactly what they need, especially if there are siblings involved.

With our Internet system being repaired, our cafe and office does not have the ability to type in card numbers and process them. Only the ability to physically swipe a card through our cafe system will process correctly, at this time.

We apologize for any inconvenience this may cause you, but we are at the mercy of the tech companies during this repair.

Therefore, students will need cash or a plastic credit card to be able to purchase lunch in the cafe or pay for events. Please work together with your child to mark your calendars for all events, so they come prepared with cash, since there are no card processing capabilities outdoors or in the field.

We want all students to benefit from the ease of having a full-service cafe for breakfast and lunch, as well as enjoying all our great events, so we will continue to post newsletters on our website and email reminders, so that you can plan ahead.

If you have any questions, please email Heather.smith@cgcsaz.com

Thank you,

Country Gardens Administration
